

## WHY MR2 SOLUTIONS

- ⦿ Build long-term trust and relationship with our customers over time and position ourselves as Trusted Advisors
- ⦿ Extend conversations with our customers beyond specific product lines by offering additional design options that fit their needs, and save them time & money
- ⦿ We serve as a strong advocate for our clients by understanding their unique business challenges, their sense of urgency and business priorities
- ⦿ We continue to offer services and solutions that provide them with investment protection, cost containment and ease of use

## ENGAGING OUR CUSTOMERS

### Collaborate in Architectural Design Sessions

- ⦿ Explore optimum solution for your needs
- ⦿ Provide subject matter expertise from technology partners & market leaders
- ⦿ Conduct whiteboard design sessions

### Provide proof of concepts

- ⦿ Test and prove our solution by gaining hands-on experience
- ⦿ Minimize any risk of implementation and ensure a good fit before committing to any solution

### Facilitating Technology Briefings

- ⦿ Conduct technology deep-dive discussions around your initiatives
- ⦿ Solutions Demos and Benchmark environment to identify baseline design & configurations
